

QuaverMusic.com

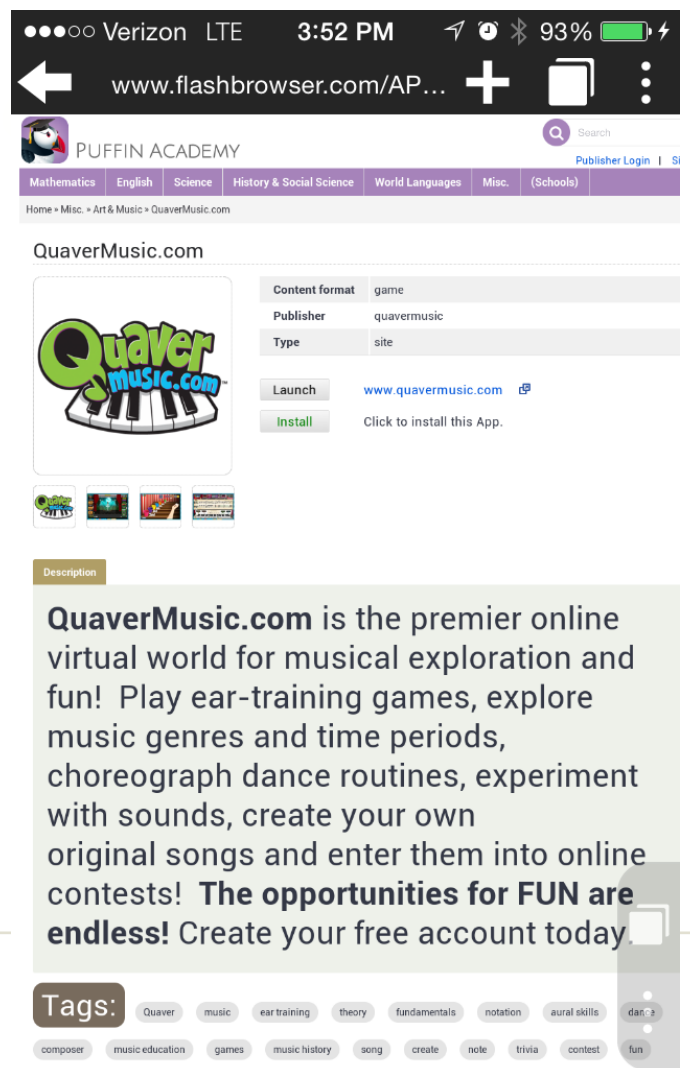

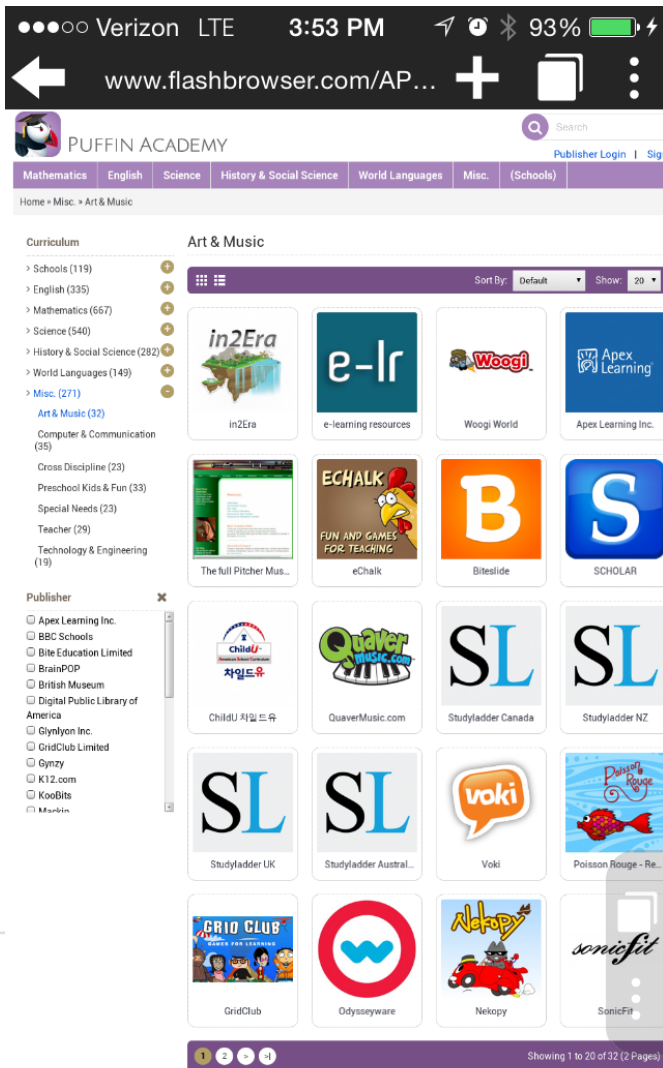

If you are trying to access www.quavermusic.com on either an iPad or an iPhone, you will need to download a free flash player app from the App Store. Adobe Flash player is not compatible with these devices. I recommend trying Puffin Academy. It is free and is for educational sites only.

Once you have downloaded the free Puffin Academy app, click the Misc. tab. Then click on the Art & Music tab. After you have selected the Art & Music tab, you will be able to see the Quaver Music icon. Click on the QuaverMusic.com icon. Then click the Launch tab. This should bring up www.quavermusic.com and you will be able to log in to the site.

If you have any questions, please email me at stephepl@hoopeston.k12.il.us. I hope you enjoy the site!
