

Maple ECSE Newsletter

May 22- May 26

Theme: The End

This week we will be continuing to work on lots of skills:

- Recognizing our first name, the letters of our name, and beginning last names
- Naming and sorting by colors & shapes
- Stating age and birth month/day
- Beginning to spell our first names
- I will be assessing general knowledge through play activities
- Match and identify Capital letters

Wow!!! This is our last week!!!! I have so many mixed emotions!!! We had a great week last week with ALICE training and the Touch-A-Truck event.

Reminder we have the Parent Involvement Activity on Friday-

A.M. Parents- you and your student are more than welcome to come to the event and participate in the activities.

P.M. Parents- you are welcome to come also. I would like to have you come a little later (1:00) so we can do some last day of school things together before they go to the activity.

If you can't attend I will send home some activities that we will be handing out.

Our last day of school will be May 26th.
May 25th- 1:40 dismissal for P.M. class
May 26th- 1:40 dismissal for P.M. class
